

What do you get when you cross the School Bridge League with the ACBL?

An opportunity to reach and teach thousands of youngsters about the wonderful game of bridge!

Join us at the Nashville NABC! There will be a reception for teachers with existing youth/junior programs and for those interested in starting programs in their areas July 22 between 10:00 a.m. and noon in Room 108 of the Nashville Convention Center. Attend and see the possibilities. The School Bridge League and the ACBL invite you to meet, exchange ideas and find others interested in pursuing junior bridge activities in their areas.
