(0.1 per 100) will be used for tie-breaking.
(Seeding points for ABA members will be based on their ABA masterpoint holding at two ABA points to one ACBL point added to their ACBL masterpoint holding.)

- * Life Master status and recorded masterpoint totals will be as of the month preceding the event being seeded.
-

IV. Seeding Points for players from outside of WBF Zone II:

The Director-in-Charge of the event will assign seeding points on a case by case basis to participants who have achieved status on a national or international level while not residing in Zone II, as well as for participants with international status who are currently residing within Zone II. The Director-in-Charge of the NABC and the Chief Tournament Director will be responsible for reviewing these assignments.

Once a player has been assigned a number of seeding points, those seeding points will decay at the rate of 5%/year. Additional seeding points may be earned, but no more seeding points will be assigned for that player.
