A) Life Master status: 1 point.

B) For each full 1,000 masterpoints: 1 point, up to a maximum of 10 points. Additional seeding points (1 per 1,000) will be used for tie-breaking. (Seeding points for ABA members will be based on their ABA masterpoint holding at two ABA points to one ACBL point added to their ACBL masterpoint holding.)

* Life Master status and recorded masterpoint totals will be taken from a list compiled from ACBL records within the month preceding the event being seeded. Masterpoints credited (or status achieved) after that list date will not be counted.

VII. Seeding Points for players from outside of WBF Zone II:

For each full 1000 WBF masterpoints: 2 points

No WBF status, but Life Master or equivalent status in the governing NCBO:
1 point

The Director-in-Charge of the event will assign seeding points on a case by case basis to participants who have achieved status on a national or international level while not residing in Zone II, as well as for participants with international status who are currently residing within Zone II. The Director-in-Charge of the NABC and the Chief Tournament Director will be responsible for reviewing these assignments.

Once a player has been assigned a number of seeding points, those Seeding points will decay at the rate of 10% of the original number per year. Additional seeding points may be earned, but no more seeding points will be assigned for that player.
