

BLUE RIBBON PAIRS

SPECIAL CONDITIONS OF CONTEST

The General Conditions of Contest for pair events will apply to this event, subject to the following special conditions of contest.

These Conditions of Contest may not be changed at any level of play during the course of this event.

Lack of knowledge does not constitute cause for exemption.

1. The Blue Ribbon Pairs will consist of six sessions, two qualifying, two semi-final and two final.
2. The Blue Ribbon Pairs will be open to pairs, each of whom have a Blue Ribbon Qualification and are a paid up member of ACBL. Use of one qualification does not cancel others. See Appendix R for more complete information on how one obtains a qualification.
3. ACBL members who do not otherwise qualify may request an exemption from the Chief Tournament Director in writing.
4. For the two qualifying sessions the field will be divided into comparison/qualifying groups of two or three sections. For the semi-final sessions there will be across the field scoring with up to seven sections. With more than seven sections the DIC may, at his or her discretion, score across the field if logistically appropriate or arrange for two or three section comparison/qualifying groups. The matchpoints on each board will be calculated across each group for the two qualifying sessions. Between 40% and 50% in each group will qualify from the qualifying to the semi-final and from the semi-final to the final. The intent is to have 2 – 4 sections in the final, unless a larger field is needed to accommodate an unusually large initial entry. Ties for the last qualifying position will be broken as per ACBL regulation.
5. There will be a carryover from the qualifying sessions to the semi-final. The carryover will be calculated as per ACBL regulations but the spread from top to bottom can be no greater than two and one half boards. There will be a carryover from the semi-final sessions to the final as well but the spread can be no greater than four boards.
6. For purposes of qualifying or for determining final overall ranking any fraction of a matchpoint difference will sufficient separation.
7. Management, at it's discretion, may, for the final day, authorize barometer scoring with publication of previous rounds' results and standings throughout the day with a one round lag through the penultimate round (i.e., the last preliminary posting will be through the anti-penultimate round).
8. Regarding any of the above or any of the general conditions of ACBL pair events, the

decision of the Director in Charge shall be final.
